JOHNNY DC SAYS: LET THE MAIL BEGIN!

Cartoon Network Fill-in-the-Blocks Party

Hi and welcome! I'm your toonmaster, Johnny DC, and this is your page! Now, you may wonder, "And how is this MY page?"

It's your page for voting for your favorite characters in this comic book (like, "Please print more GRIM ADVENTURES OF BILLY & MANDY.") It's your page for asking questions, like, "How does Dexter's giant laboratory fit inside his family's little house?" It's your page for showing off your terrific artwork – like Stephen Purk's drawing of Courage the Cowardly Dog and his family, and Caitlin's drawing of me (we didn't catch her last name, sorry!) – you have good taste, Caitlin!

And I'll PRINT what you send! You'll be instantly famous! Your name will be seen around the world (well, around the world of comic books, at least)! So get out those pencils, crayons, and computers and get to it!

[DRAWING BY–STEPHEN PURK, ALMOST AGE 7]

[DRAWING BY–CAITLIN]

Dear Johnny DC,

I love every comic you're in! My favorites are Justice League Unlimited, The Batman Strikes, Teen Titans Go!, and the best yet, Cartoon Network Block Party! I have all the issues of the comics I named. In Block Party, my favorite comic shorts are Ed Edd n Eddy, Billy and Mandy, and Codename Kids Next Door. I liked issue #3 because of the bonus pages. Even though I have every issue of Cartoon Network Block Party, they are hard to find. Every month I go to a comics shop in North Tonawanda with my grandpa, just to get the best DC comic around.

Ben Ratajczak
Buffalo, New York

It's awesome to hear from you, Ben! Tell your friends about this great comic shop so they can get their Block Party there too! Also, kids can subscribe to any Johnny DC title by following the instructions at the bottom of the next page. That way you'll never miss a month!
